NOTES:

The Eagle ballots were inadvertently left off from the original tally sheet when reported on election night. Tally sheet showed original votes for Prosser of 252 and original votes for Kloppenburg of 70. Town Clerk was called and had no explanation other than an error by the election officials to follow through on the Tally sheet reporting. Also, it was noted that the County Board of Canvass should have caught this error, but read only the totals on the Tally Sheet. The Recount tabulators showed Prosser with 253 votes and Kloppenburg with 138 votes. No provisional ballots, no late arriving military ballots, no rejected absentee ballots and no defective absentee envelopes. No Objections raised by observers.
